Scripture:

Psalm 46:1 God is our place of safety. He gives us strength. He is always there to help us in times of trouble.” (NIRV)

Message:

You are in trouble and don't know where to turn or who to turn to. It might not have even been your fault, or you may be blamed for something you did not do. At this point, you cannot figure out how to get out of that difficult spot. Too many times we find ourselves in some situations which can be challenging and where there seem to be no solutions. Whoever you turn to say they do not have time for you or to listen to you and you feel so alone, so helpless.

Be assured that you are never alone. When friends and family fail you or give up on you, remember God is always there for you. He will never leave you or forsake you. When you are in trouble and there seem to be no way out, God will show you the way. And you must not keep repeating your mistakes, but try to do better and better so that you can enjoy living a life with God and for Him. You don't have to stay in your downbeat life, but you can live it up with and for the Lord. God will help you once you give Him the opportunity to change your life.
