Scripture:

Psalm 46:1 God is our place of safety. He gives us strength. He is always there to help us in times of trouble.” (NIRV)

Message:

Have you ever been in a room filled with friends and family yet you felt all alone? Or found yourself in trouble and there is no one to help you or be there for you? Or you are going through a rough time when you really need someone to stand by your side, but there seem to be no one nearby? There are times when you even reach out to your friends and members of your family for help and support, but they are too busy with their own problems to even listen to you. Some will even tell you they have no time to deal with your problems as they barely have time for themselves.

Whether things are good or appear to be bad, always remember you are never alone. You can always turn to God who is never too busy to listen to you as you share whatever is troubling you. Do not let the problems of life weigh you down and make your heart heavy. Do not let your problems be so heavy that you make the wrong choices. God is there for you at all times, whether it be in the good times or when you are in trouble and afraid. He will not see you in trouble and not help you. All you have to do is to reach out to Him and do your part by staying out of trouble. Let God help you.
