Scripture:

Luke 11:31 "Seek the Kingdom of God above all else, and he will give you everything you need." (NLT)

Message:

Choices. Choices. Choices. Things to do. Places to go. People you would love to meet such as your favourite movie or sports star. The question then becomes what do you choose and which do you put first. You also worry about what you will eat and if you have enough for you and your family. Of if the money will run out before things are done around the house or at school. You need new things such as clothes but because of low finances, you worry and wonder what would the future hold.

But you are not to worry when you do what is important first. The first thing you must do is to seek the Kingdom of God. Have the right and strong relationship with Jesus Christ. Stay connected with the Lord and let the Holy Spirit guide you when making decisions. It is amazing when we do the right thing in trusting God and putting Him first, everything else comes together. We do not have to worry as He will supply our needs. We do not have to wait because He is right on time every time. And all of that is possible when we put God first.
