Scripture:

Luke 11:10 "For those who ask will receive, and those who seek will find, and the door will be opened to anyone who knocks." (GNT)

Message:

Have you ever asked someone a question but was not satisfied with the answer? Or knock on a door and the person on the other side refuse to let you in? Or even went searching for something you know you have but cannot find it. These situations can annoy you and leave you frustrated. But Jesus is not like that because He is always near to you and you have to keep your communication channels with Him open at all times. When you seek Him out and search for Him with all your heart, you will find Him.

If you knock on His door, He will open the door and let you in. If you ask of Him, asking for the right things and for the right reasons, He will grant your request. Bear in mind that God can answer with a "Hold on a little longer"; a "Not yet" or even an outright "No". Why? Because in His infinite wisdom and knowing what is best for us, He will give us what we need in His time and at the right time. We simply need to trust Him to solve our problems in the best way possible. Continue to seek and search out the Lord; continue to knock on His door and to ask of Him for He has all the answers.
