December 13 – Wisdom

Scripture:

**Proverbs 1:5 Let wise people listen and add to what they have learned. (NIRV)**

Message:

**Sometimes it is not enough to take things at surface value. We need to go below the surface to get the deeper and true meaning of people and circumstances. Persons sometimes say things that just doesn't seem right or ring true. Or we find ourselves in situations that call for thought and insight. When we possess the wisdom from God, we are able to see more than what is presented.**

**This is important as when we make the wrong choice, it has its consequences and we pay the price. Under today's circumstances, it is always better to have the wisdom from God to survive. It is a wisdom that is God given and sure. We ask our parents for new and updated technological gadgets and new clothes. When we ask of God, one of the things we must ask for is His wisdom to guide and direct our lives. May God's wisdom help us to make the right choices and to live a Godly life.**
