**Matthew 5:4 "Blessed are those who mourn, for they shall be comforted. (RSV)**

**Message:**

**How sad it is when a pet dies. We remember when we took care of them as we might have had them from birth, but now that they have died, we miss them. Even more so when a family member dies and we are no longer able to play with them, sing with them or talk to them. If they were ill for a period of time, it still hurts when they pass away. If they die suddenly, the pain could be ten times worse since we did not get a chance to say goodbye. It is healthy to miss loved ones and to morn or cry as we might have had a good relationship with them.**

**It is also good to morn a sinful life and ask Jesus to bless us, comfort us and give us a new life. We should be happy since God will comfort us as we wish to get rid of the old, even wicked life and look for a new life with Him. When our love ones die, God will comfort us and make the pain easier to bear. When we seek to live a better life with Him, He comforts us also. Cry when your loved ones die, God will comfort you. Of that we are sure. Cry out to Him also to change you, bless you and comfort you as you serve Him.**
