**Colossians 3:2 Think about the things that are in heaven. Don't think about things that are only on earth. (NIRV)**

**Message:**

**There are times when we focus on the things that make us sad or even angry. We may think that they are important but when you stop and think about it, these things or people are not even necessary for us. Material things such as more clothes or nicer shoes could sometimes seem to be the way to go. You look at other children who appear to be popular and want to be friends with them so that you can be in the popular crowd.**

**It is however more important to seek after the things and people of God. You should be more interested in attending Sunday School where you can learn about Jesus Christ and live like Him. Also, to be friends with others who can help you to grow in Jesus Christ. We should try to live the good life in Jesus Christ now, so that we can live the best life with Him for all eternity. Yes we can enjoy the earthly or material things, but we must not focus on them so much that we miss out on the life and the things of God.**
