**Scripture:**

**Philippians 4:19 And my God shall supply all your need according to His riches in glory by Christ Jesus. (NKJV)**

**Message:**

**Do you know how comforting it can be when we think of a good and generous God who will take care of our every need? It is reassuring to know that our God cares for us and will look out for us. I am sure there are many times when we wonder about our next meal. Or, now that classes are online and there is the need for a particular device which we do not own. Also when we are spiritually weak, how can we become strong in the Lord. But bless God, He will respond to our needs and we are able to live differently, be stronger especially when we cry out to Him.**

**God keeps the promises He makes to us. So when He says that He will supply our needs, then He will do exactly what He says. We are not to worry or wonder or fret. Instead, we are to take our concerns to Jesus Christ and watch Him do marvelous things in our lives. The time we spend fretting should instead be spent praying. Give God a chance to respond to our requests. Stop fretting, start praying and believing so that God can supply our needs, especially our spiritual needs.**

**Activity:**

Pray to God as He has promised to supply your needs.

Can you tell the difference between the things you desire, that may not be even necessary at the point in time, that you can do without and the characteristics/things/people etc that you need, that are absolutely necessary that you cannot live without?

See if you can identify a listing and place them in the appropriate columns.
