**Scripture:**

**Philippians 4:19 And my God shall supply all your need according to His riches in glory by Christ Jesus. (NKJV)**

**Message:**

**There are some persons no matter how much they own, they always want to have more and more and more. It is okay to want more when it is something good, when we can afford it and it is earned honestly. But it becomes a bad thing when we are greedy and do the wrong thing such as stealing to obtain what we want. Some people even begin to fret and worry when they do not have enough to eat or to share. But for those who worship our God and believe that He will provide for us, know that He will supply all our needs.**

**If God will feed the sparrow which is a little bird, then He will surely take care of us. We may want many things, but we also need many things especially as we seek to serve Jesus Christ. For sure when we pray to Him, He will give us all we need to survive in these challenging times. He keeps His promises so we know when we ask the rights things of Him, He will supply our needs. So stop worrying about tomorrow and place our lives in His hands and in His care today.**

**Activity:**

Pray to God as He has promised to supply your needs.

Can you tell the difference between the things you desire, that may not be even necessary at the point in time, that you can do without and the characteristics/things/people etc that you need, that are absolutely necessary that you cannot live without?

See if you can identify a listing and place them in the appropriate columns.
