Scripture:

Exodus 20:12 "Honour your father and your mother, that your days may be long upon the land which the Lord your God is giving you. (NKJV)

Message:

Your family is important. When you cannot connect with others or depend upon them, you must be able to depend on the members of your family. Depend upon them for love, care and support. How wonderful it is when brothers and sisters can live together in peace. It is great when mothers and fathers, sons and daughters can live together and grow in Christ together. As children you should give honour to your parents and the elders in the family. Give them the respect that is due to them.

We are not just to honour them for who and what they are, or what they can do for us, or for what they can give to us. As the verse says, we are to honour them so that our days may be long on the earth. It means we will be blessed when we respect and honour our fathers and mothers and elders. God will bless us because we are being obedient and it shows how thankful we are for them. So continue to learn from them, listen and obey them, also honour and respect them and God will continue to bless you.

Activity:

Find words to express your love for your mother and father as well as how you feel as you honour them. One is done for you.
