HEED

July 12 – Be Peaceful

Scripture:

Matthew 5:9 Blessed are those who make peace. They will be called children of God. (NIRV)

Message:

It is not enough just to be peaceful, but we must be a part of the process that brings about peace. Sometimes there are situations that calls for us to make an unpopular decision, or to take an unpopular stance. But we know that it is the correct decision and to make that decision will eventually bring about peace. It is at times like these, no matter how unpopular it may be in the eyes of others, that we need to take a stand for what is right. Peace is not just about the end result, but the path to achieving that peace.

The verse not only encourages us to gain that peace for ourselves, but to be a believer and creator of that peace. It is even more beneficial to have others enjoying that peace with us especially as a result of our helping them to gain that peace. How great it is to the mind when you can say that I was a part of the process of and for peace. Even more heart-warming is the fact that when we make peace or are peacemakers, we will be called children of God. And as a child of God, we can be sure that there are many privileges and benefits to enjoy.
