HEED

July 19 – Be Faithful

Scripture:

Colossians 1:23a But you must keep your faith steady and firm. You must not move away from the hope the good news holds out to you. This is the good news that you heard. (NIRV)

Message:

God is always faithful to us. He carries out His promises to us at all times in that when He says He will do something, He does it. God has made many promises to us and He keeps them. Some of these promises are to make us strong when we think we are weak (Philippians 4:13) and to protect us from danger (Psalms 27:3). So no matter how difficult the situation, or how impossible it may seem, God is there for us. The songwriter says "*I am determined to hold on to the end*" and we must hold on because God is faithful and He is true.

It means that if we are to benefit from the promises of God, we too need to be faithful and true. When we make a promise to God, we must keep our word and not turn back. When we promise to serve Him, when we promise to give Him our best, we must be faithful and do what we said that we would do. Sometimes the challenges of life can distract us, but we must try to stay on track, to be firm and steady as we give our best to God. Let us be faithful to God as He is faithful to us. When we are faithful, steady and to firm towards God, He will reward us in His time.
