HEED

July 26 – Be Self-Controlled

Scripture:

Galatians 5:22,23 But the fruit the Holy Spirit produces is love, joy and peace. It is being patient, kind and good. It is being faithful 23 and gentle and having control of oneself. There is no law against things of that kind. (NIRV)

Message:

To be self-controlled, you first have to be in control. If you are not in control of your life, then you don't have much of a say as to what happens in your life. God has done His part where He created and shaped us for His plans. Not only has He given us what we have now, but in His word, we see where He has promised to give us so much more. He controls our destiny and knows our final end. He has a plan for all of us and if we allow Him to unfold that special plan, then we will want for nothing as our every need will be supplied.

To be self-controlled is to manage all aspects of our life. To manage the friends and company we keep. To manage the things we say, the places we go, the things we do. We also have to control our minds and our mouths. What we say is as a result of what and how we think. The evil words we say is as a result of evil thoughts, but the good things we say should be as a result of the good in our minds and in our hearts. Control yourself, allow God to control you and be blessed.
