June 14 – Hear Instructions

Scripture:

Proverbs 4:13 Take firm hold of instruction, do not let go; keep her, for she is your life. (NKJV)

Message:

One of the hardest things to do is to sometimes follow instructions. We either listen and find it hard to obey, or don't listen at all. We may read but try to alter what we see and make a tangled mess. At times we can find our way without any assistance, but there are occasions when we have to follow it step by step in order to be successful.

God's guidelines are laid out in the Bible for us so that if we follow His instructions step by step, we will realize His will for us as well as our full potential. First, we have to read His word daily. Second, we have to follow where He leads. Third, we have live according to His directions. When we follow the correct instructions it is usually to our benefit. God wants us to benefit from this journey called life, so He sets out the instructions for us to follow. We are to hold on firmly to the things we are taught in the Bible, not to let go, so that we can live.

Activity:
