June 14 – Hear Instructions

Scripture:

**Proverbs 4:13 Take firm hold of instruction, do not let go; keep her, for she is your life. (NKJV)**

Message:

**When you buy a new puzzle, it comes with instructions as to how to put it together so that the final results makes sense. Sometimes the instructions are easy to follow, at other times, we need a little help to fit all the pieces to see the whole picture. It is important that we read or listen to instructions so that we learn and benefit from following the instructions.**

**Our lives are like pieces of a puzzle that God has created. One fits into the other to make it complete. God gives us instructions in the Bible as to how to do many things. We are given instructions to live, to do the right things, to be the right person. And if we follow the teachings that are given to us, it would help to guide us on the right path, it will help us to make the right decisions. Hear the instructions given by God, so that you can live.**
