June 21 – Thou shall have no other gods.

Scripture:

Exodus 20:3 You shall have no other gods before Me. (NKJV)

Message:

We sometimes put things and people as more important than Almighty God. But our verse for today reminds us that we must have no other god before our God. We place importance on our cell phones and other devices. We place importance on our friends, always wanting to be with them and do some outrageous things to please them. Just as we would want to do things to please our friends, we also should want to do things to please our God. He is the One who created and provided for us so we must always try to do the things that are pleasing in His sight.

There is no one or nothing more important than our God and we should put Him first in our lives. He is more important than our devices, more important than our friends. So when we sing "*There is none like You, no one else can touch my heart like you do, I can search for all eternity and find, there is none like You*", it is saying that we need to place God above everything and everyone. Put Him first always.
