June 28 – Wisdom Delivers

Scripture:

**Proverbs 2:10,11 When wisdom enters your heart, and knowledge is pleasant to your soul, 11 Discretion will preserve you; Understanding will keep you, (NKJV)**

Message:

**We all wish to be wise, to make good decisions for ourselves and to help others to make good decisions. In order to help others, we must be in a position to think things through and make the right choices. To be wise is to make things better than they were before. True wisdom comes from God so to make the right choices, we need to be in touch with God, always asking, "What would God do?" or "What would God say?" To understand how God would respond, we need to be in touch with Him through His Word and the leading of the Holy Spirit.**

**When we become wise in the sight of God, we are then able to help others, our friends and neighbours into a better position. Wisdom is a good thing, for when we are wise, we do the things that are pleasing to Almighty God. Wisdom is better than silver or gold, Whereas silver and gold may last for a while, wisdom from God last for a lifetime. We get the opportunity to be wise for ourselves and wise for others. True wisdom from God helps us to grow in our faith and live freely for God.**
