Scripture:

Luke 6:48 They are like a man who builds a house. He digs down deep and sets it on solid rock. When a flood comes, the river rushes against the house. But the water can't shake it. The house is well built. (NIRV)

Message:

To build a house on solid rock is to build on a strong foundation, so strong that the wind or rain would not budge it. Jesus Christ is described as a strong Rock and when we build our lives on Him, sin and temptation will be things of the past. Many times persons yield to temptation because their faith is not strong enough to resist the devil. Many sin because they make the wrong decision or listen to the wrong voice giving the wrong advice. It is always important to listen to the right voice especially the voice of the Lord.

When we listen to the voice of the Lord and obey at all times, we are building on the Rock with the strong foundation. We can then be sure when the bad winds blow, we shall not be moved. And as the floods are raging, we will remain faithful and strong. Also, if negative forces try to topple us over, we shall stand tall and do what is right. Build your life upon the Rock who is Jesus Christ, the strong foundation. He never fails to direct us on the correct path of life and with Him, there is peace forever more
