**Scripture:**

**Luke 6:48 They are like a man who builds a house. He digs down deep and sets it on solid rock. When a flood comes, the river rushes against the house. But the water can't shake it. The house is well built. (NIRV)**

**Message:**

**When you take your time to do a project and put your best effort into getting it done, you can say that it is well done. If you are putting together a puzzle and put all the pieces in the right place, you will see the perfect picture. You will not build a house on sand where the rain will wash it away during the rainy season. You will try to build it on solid rock where it is sure to stand firm no matter how much rain falls. It is the same with Jesus Christ who is described as a solid Rock.**

**We build our lives with Him and on Him so things will go right for us. When we hear the word of God as we read the Bible and do what it says, we become stronger each day. As we become stronger, it is easier not to sin. The evil one cannot then touch us because we lean on the Lord and listen to the Lord. We must also obey the word of God so that we can grow to be what God wants us to be. Satan cannot tempt us to do the wrong if we stand strong on the Rock who is Jesus Christ.**
