June 7 April 5 – Submit to Patience

Scripture:

**Isaiah 40:29-31 He gives power to the weak, And to those who have no might He increases strength. 30 Even the youths shall faint and be weary, and the young men shall utterly fall, 31 But those who wait on the Lord shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint. (NKJV)**

Message:

**To have patience is to have the ability to wait for what you want especially if it is something that will be worth the wait. There are some cases where while you are waiting you must be industrious, that is work for what you want. An example of this is your school work. To succeed, you must do the work to the best of your ability. Even make sacrifices such as less t.v. time to do more studying.**

**The scripture tells us that God gives power to the weak and to those who have no power, He will give them strength. However you must have the patience to wait on God to deliver on His promises. Today we want everything and we want it now. But sometimes God says wait. He may even say "NO" and it is for you to trust that He will give what is best for you in His time which is always the best time. He promises that those who wait upon Him, will run and not be weary and will walk and not faint. Learn to be patient and wait upon God at all times.**
