**Matthew 5:7 "Blessed are the merciful, for they shall obtain mercy.  
(RSV)**

**Message:**

**To feel another person's pain and be able to do something about it is to show mercy. It is not just feeling sorry for the person or their situation, but it is all about doing something to make things better. To be merciful or to show mercy is about trying to make wrong things right. For example, if a friend has done something that might have hurt you, maybe by saying something untrue and he comes to ask you to forgive him. Would you forgive him or ignore him?**

**It is good to show mercy to others because when we do something wrong, we would want others to show mercy towards us and forgive us. We all do wrong things every now and again where we have to ask for mercy. We also do wrong things in the sight of Jesus and have to ask Him for mercy. Thank God that He forgives us and gives us another chance to live a clean life. We should show mercy to others just as Jesus shows mercy to us. We would be blessed and gain much by the mercies of God.**
