**Message:**

**Everyone likes to know when they are in trouble, there is someone they can turn to and who will help them. Can you imagine if there was no one whether a friend or family member who you should be able to shout out when you are in difficulty? When we are in trouble and we receive help, we can breathe a little easier. We know for sure God helps us when we cry out to Him. He is always listening when we pray to Him and He hears our prayers. The best part is not only does God hear us, He saves or delivers us from what is troubling us.**

**To live in the shadows of our fears can be depressing for we feel weighed down most of the time as if there is no way out. Too many times we allow these fears to take over and run our lives, influencing our thoughts, actions and decisions. But we do not have to exist in a bubble of uncertainty and fear. God is there for us to bring relief to our situation. Seek Him out, search for Him, pray to God and He not only will listen, but He will hear you. Furthermore, God will deliver and save you from all your disturbances, from all your cares.**
