**Message:**

**When you say something to someone, it is always good to know they were listening to you and they heard what you said to them. Many times persons speak to us and we do not hear what they are saying simply because we are not listening. To hear, we must listen. When we take our problems to God, not only is He listening, but He hears our cry. This is so important especially when we are in trouble and need His help. Can you imagine being in trouble and crying out to your friend who pretends not to hear you and leave you all alone? What a sad thing.**

**Not only does God listen to us, but He also hears and helps us. We can depend on God to always be there for us, to get us out of danger or trouble. We need to call upon Him more often, not just when we are in trouble. When we do so and allow Him to direct us, we would not find ourselves in trouble in the first place. We must pray to God every day, He will hear us and we must listen to Him to hear what He has to say to us. Allow God to lead you and save you from all that will give you trouble. Go to God, pray to God and He will hear you and help you.**

Psalm 100

1 Make a joyful noise to the Lord, all you lands.

2 Worship the Lord with gladness; come before His presence with singing.

3 Know that the Lord, He is God. He has made us, and not we ourselves; we are His people, and the sheep of His pasture.

4 Enter into His gates with thanksgiving, and into His courts with praise; be thankful to Him, and bless His name.

5 For the Lord is good; His mercy is everlasting; and His truth endures to all generations.

(MKJV)
