Scripture:

Psalm 34:8 Taste and see that the Lord is good; blessed is the man who trusts in Him. (MKJV)

Message:

Think of your favourite food and I know you would eat it every day if you can. Think of some of your favourite people with whom you would spend as much time as possible. Once we find something good, we want more and more of it. The verse says to taste and see that the Lord is good. It is encouraging us to have a right and strong relationship with the Lord. First, we must get close to Him, get to know Him, then let the bond with Him grow stronger and stronger.

We are also blessed if we trust God in all matters. Trust Him to know what is best for us. Trust Him to work out our situation to the best of our advantage. A relationship with Jesus grows sweeter and sweeter as time passes by. God knows what is best for us so trust Him through it all. Just as we would want to eat our favourite foods most of the time, stick close to Jesus all of the time. Get in touch with God, and stay with Him, trusting Him to do the best with you and for you.

Enjoy the following song (Psalm 34) and let it minister to you.
