May 31 – Submit to Guidance

Scripture:

Psalm 5:11&12 But let those who go to you for safety be glad. Let them always sing for joy. Spread your cover over them and keep them safe. Then those who love you will be glad because of you. 12 Surely, Lord, you bless those who do what is right. Like a shield, your loving care keeps them safe. (NIRV).

Message:

Some of us do not take kindly to being guided in any way. Either because we are stubborn or we think that our way is always the better way. But it is a good thing to be guided and guided in the right way. When we listen to the authorities on how to be safe in this covid season, we will be safe and we will be glad. When we go to God for guidance, and be guided by His word, we will be safe and we will be glad.

When Jesus was getting ready to leave His disciples, He asked His Father to send a comforter, a friend and guide so that all who follow Him would be safe. That guide is the Holy Spirit and we are glad that when we have the Holy Spirit dwell in us to guide us, we can make the right decisions and be safe.
