Scripture:

Romans 14:12 So each of us will have to answer to God for what he has done. Do not cause others to sin (ICB)

Message:

Every one of us must answer to God for everything we think, say and do. It is not for some persons but applies to everybody. Each one of us must be able to tell God why we did or did not follow His plan for us. If we think we are a law unto ourselves where we can do what we want, how we want and when we want, then think again. Even worse when we are the reason causing others to stumble and fall, giving them an excuse for their wrong-doing.

Just as we are not to go down the wrong path, we are not to encourage others to do wrong or be the reason for them to fall short in the sight of God. We must help others to stay focused in all they do, so when answering to God, they too would be right. Let us not be the cause of their sin or their downfall, but be their support in all that is righteous and true. Be the friend who would pray for others and see to it all can answer to God in a positive way. Be true, caring and understanding to yourself and to others.
