FUNCTION

November 8 – Do not steal

Scripture:

Exodus 20:15 Do not steal. (NIRV)

Message:

What does not belong to you cannot be yours, therefore if you take it without permission, then that is stealing. Just as we value the things we possess, others value their possessions. Just as you will be hurt if someone takes your belongings without permission, others will be hurt if you take away their belongings without being told to do so. It is wrong to take things that do not belong to you without permission. It is wrong to steal.

It could never be right to hurt someone by taking what may be valuable to them just because you think that you could make better use of it. If you can put your brains to work on stealing something, then you can put your brains to better use as to how you can work honestly to gain what you have set your eyes upon. So work for and towards what you want. Gain it the honest way that is pleasing to God, the way that will keep you out of jail, the way that is right.
