**Scripture:**

**Romans 12:10 "Love each other like brothers and sisters. Give your brothers and sisters more honour than you want for yourself."  
(NIRV)**

**Message:**

**We love it when persons are kind to us and when they look out for us. They make sure we are alright, have enough to eat and drink, or if things are rough, they help to make it smooth again. Persons who are interested in how we are coping usually look after us. Some are generally kind-hearted and want to see us grow and prosper in the Lord. Others pray for us and ask God to be kind to us. It gives a good feeling to know others not only think kindly of us, but show it on a daily basis. It is even better when we are kind to others.**

**There is that warm and happy feeling when we show kindness to others and when we share what we have with them. We must be kind because we mean it, because we want to and because Jesus has been kind to us. It shows the love of Jesus in when we are kind to others. By our example, they too will be kind to someone else, not because they have to be kind, but because they want to be kind. It is good to have the love of the Lord, and even better when we show that love to others in as many ways as we can. Always be as kind and loving as possible.**
