Scripture:

Romans 12:12 "Be joyful because you have hope. Be patient when trouble comes. Pray at all times." (ICB)

Message:

There is no situation that you and God cannot handle. You may find yourself in positions which seem hopeless even with a bad ending. Or you may be thinking there is no good answer to your problem. But with Jesus Christ, there is always hope and there is always a solution. We can be thankful and happy when things seem sad, because Jesus is working on our problems. It is also why we need to be patient. Our time is not God's time and God's time is always the right time. Many of us do not like to wait for anything. When we want something, we want it now, but we must learn to wait upon God.

We must also be patient when things seem to be going wrong. If we have taken our problems to Jesus, then leave them with Him as He will work it out the best way for us. We must also learn to have a strong prayer life. We tend to go to Jesus last with our problems. Instead, let us go to Him first to sort it out for us. We don't have to wait for problems, but always talk to God every day. Give Him thanks and praise for all He has done and will do for us. When we ask Him questions, be still and listen for the answers for our prayers are always heard by our Lord.

(Answer from last week)

You've got to try a little kindness
Yes show a little kindness
Just shine your light for everyone to see.
And if you try a little kindness
Then you'll overlook the blindness
Of the narrow-minded people
On the narrow-minded street.
