FOCUS

October 18 – Be Light

Scripture:

Matthew 5:14-16 You are the light of the world. A town built on a hill can't be hidden. 15. Also, people do not light a lamp and put it under a bowl. Instead, they put it on its stand. Then it gives light to everyone in the house. 16. In the same way, let your light shine so others can see it. Then they will see the good things you do. And they will bring glory to your Father who is in heave. (NIRV)

Message:

When there is light, darkness cannot prevail. To have light is to be able to get rid of the darkness that may threaten to overwhelm the light. Many people live in darkness especially the darkness of sin where sin takes over and it is more than the light can control. To live in darkness is to have no control, to have no hope. But we do not have to stay in that state, for with the saving grace of Jesus Christ, we can make a change since He is the Light of the world.

Jesus can bring light to our lives if we would only accept Him as our Saviour. He can make a change. He can make a difference. When He changes you, you cannot and will not be the same. You now have to live as children of the Light, seeing things differently, doing things differently. Light means brightness, so your life will be brighter with Jesus Christ. Once you live a life that is pleasing to the Lord, others will see the light of Jesus in you. When your light shines and shines brightly, there is no chance for darkness to take over, so live as children of the Light.
