INSIGHT

October 4 – Miriam

Scripture:

**Exodus 2:4 The child's sister wasn't very far away. She wanted to see what would happen to him. (NIRV)**

Message:

**You must be committed to a task especially when you have given our word to see it through. When you say "Yes, I will do it." It means that no matter what happens you will see it through to the very end. It may mean that sometimes you may have to do a little extra, however, you must go all the way and keep your promise especially if it is a promise to God. You keep your promise to your friends, more important, also keep your promise to God.**

**Miriam went all the way when it came to taking care of her brother Moses. She did all that she could to keep Moses safe so that he will grow up to fulfill God's plan for his life. To fulfill God's purpose in your life, say "Yes" to Him, serve Him with your whole mind, heart and soul, then serve Him fully. As you serve Him, do all that you can and even go the extra mile. Don't worry about how you will do it for in His plan for you, God already has the solution to all of your problems, just trust Him.**
