Scripture:

Matthew 4:4 "It is written, 'Man must not live only on bread. He must also live on every word that comes from the mouth of God.'"
(NIRV)

Message:

You must have all the ingredients and mix them correctly if you want to bake a proper cake. If you forget to put in some of the key ingredients such as maybe butter, flour or even eggs, you may not get a cake at all. Or, if one of your friends say something to you, it is sometimes wise to ask questions so that you understand the whole story and not just a piece of it. To make up your mind, you must try to put together all the pieces in order to make the right choice. It may be to your advantage to understand as much as possible.

So it is with the word of God. You cannot take some of it and live by just a piece of it. The word of God speaks to every situation in life which is why we need to know all of it. This means you must know the word of God and this comes by always reading your Bible. You must know what it says about the issues and problems you see every day and then you will make the right choice. Do not take or use a portion of what you read, but read and understand all of what is in the Bible. It helps when seeking guidance and in making the right choice.
