INSIGHT

September 20 – Joseph

Scripture:

Genesis 45:11 There I will provide everything you need. There are still five years to come when there won't be enough food. If you don't come down here, you and your family and everyone who belongs to you will lose everything. (NIRV)

Message:

Joseph was a special young man and God had many plans for him. Joseph was treated unfairly by his brothers when they sold him into slavery. He was thrown in jail for something he did not do and spent many years in prison. While living as a slave however and even while in prison, Joseph continued to worship God and lived a life that was pleasing in God's sight. Most important was that God placed Joseph in a position to help the same brothers and the rest of the family when times became difficult.

I know that many of us would not look at our family members if they had done such a terrible thing to us. We would say that they must now look after themselves. But God worked through Joseph to help feed and support the rest of the family. We too must forgive our family and help where we can to make life better for all. It is important to forgive as it takes a large burden from our hearts and allow us to see the goodness of God.
