Scripture:

Romans 1:16 "For I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone who believes, for the Jew first and also for the Greek." (NKJV)

Message:

When someone is good to us, we are thankful. When we are given good things, we are encouraged to say 'thank you' to those who have given to us. We are also encouraged to share whatever good we have. If we have been to someplace nice, we can tell others about all we have seen. If we have a lot, much more than we need or can use, we can bless someone by sharing what we have been offered. It means a lot to us when someone shares with us especially if it is something we enjoy. Think about how much it will mean to others when we share what we have with them.

The gospel of Christ or the word of God is very powerful and strong. When we read the word of God and apply it to our lives, it can do so much to make a difference, also, to make life better. We therefore must not be ashamed of it, nor be ashamed to share it with others so that their lives can be better too. The gospel of Christ has the power to heal your sickness and to answer all your questions. It is true, it is sure and we can depend on it. Just believe in the word of God and trust Jesus Christ to work things out for you.
